3. Only credit card payments may be used from outside Japan.

#### ④ Notes on entrance screening fee payment procedures

- (1) Check to make sure that you have received a payment procedure completion email.
- (2) Do not delete the payment procedure completion email. Save it until you have finished taking the examinations.
- (3) Japanese-government-funded international students do not need to pay this fee. However, a Japanese-government-funded international student must submit a Certificate of Attendance on Japanese Government Scholarship for Foreign Students issued by his or her university.
- (4) Payment procedures cannot be conducted outside the payment period. Note that if you fail to complete the procedures during the payment period, your registration information will be invalidated.
- (5) If you are paying by credit card, make sure your card is valid. The card need not be issued in the name of the applicant him or herself.
- (6) If you are unable to pay by credit card, try another card or use another payment method.

#### ⑤ Screening fee waiver system

We will waive screening fees for applicants affected by the Great East Japan Earthquake, which occurred on March 11, 2011, and the Kumamoto earthquakes that occurred in April 2016. These exemptions are intended to secure educational opportunities for applicants affected by these disasters. Check the University's entrance examination information site for details such as application periods.

##### ① Documents to submit:

- ◇ Screening Fee Waiver Application Form (form designated by University)
- ◇ Copy of disaster victim's certificate (issued by municipal government or other authority)

##### ② Notes

- ◇ **Conduct the Internet application registration after you learn the results of applying for the waiver.**
- ◇ Check the University's entrance examination information site for details such as application periods.

# XI. Handling of personal information

---

Under the Act on the Protection of Personal Information by Incorporated Administrative Agencies (“Personal Information Protection Act” hereinafter), the university will use personal information obtained during the process of selecting students for tasks related to the selection process and for other purposes, as described below.

## 1. Purposes of use

- ① Personal information concerning successful applicants such as names and addresses will be used for tasks related to admission procedures.
- ② Personal information, such as names and addresses concerning persons who have completed admission procedures will be used following matriculation for tasks related to their studies, including management of student records and tasks related to health, such as medical examinations.
- ③ Personal information such as names and addresses concerning persons who have completed admission procedures will be used for tasks related to the management of payments, such as collection of enrollment and tuition fees.
- ④ Personal information such as grades obtained during the selection process will be used for tasks related to support for studies, including waivers of enrollment fees and tuition fees in the first year and selection of students for scholarships.
- ⑤ Personal information such as grades obtained during the selection process will be used for tasks related to statistical processing, provision of information to prospective students, and surveys and research related to the selection process. In such cases, the personal information will be used in ways that render it impossible to identify individuals.

## 2. Provision of personal information to third parties

Apart from the cases set forth in Article 9 of the Personal Information Protection Act, personal information obtained by the university will not be used for other purposes or provided to third parties without the permission of the applicants themselves. However, the minimum required information may be provided in the following cases:

- ① Tasks involving the handling of personal information described in 1. ① to ⑤ above may be entrusted to an external third party after concluding a contract with them concerning the appropriate handling of personal information
- ② To facilitate operations related to acceptance decisions and additional acceptance decisions through the separate installment system in which national and public universities offer two opportunities to take entrance examinations, personal information related to matters such as acceptance and admission procedures (limited to names and examinee nos. for the National Center Test) may be provided to the National Center for University Entrance Examinations and any other national and public universities to which the applicant has applied.
- ③ Provision of information to parties outside the university in cases in which this would be in the interests of the person concerned
  - (1) Musical Education Promotion Association (parents’ association for the Faculty of Music supporting faculty’s education, research, and students’ extracurricular activities)
  - (2) Mori-no-kai (alumni association for the Faculty of Fine Arts)
  - (3) Dosei-kai (alumni association for the Faculty of Music)
