

About changing method of Implementation of examination admission for Graduate School for Global Arts (Master's Program) for International Students in 2019 Academic years (Advance Announcement)

So far we conducted an oral examination based on the documents to be submitted and only made final announcements, but from the 2019 entrance exam we change to two-stage selection.

International Students Examination

~2018

(Already finished)

Oral examination based on the documents

Final announcements

2019~
