Once you have transferred the fee, Forms B and C will be returned to you. Please cut up Form C, write your name, and submit by attaching to “the 2019 (Research Student) Entrance Screening Fee Remittance Proof Submission Form <Research Students>”.

2. Sending money from overseas financial institution

- To transfer funds from overseas, please follow the instructions provided below.
- Please be prepared to remit:
The cost of Screening fee (9,800 yen) + remittance fees charged in your country (please check with your bank for details) + fees charged in Japan (4,000 yen in total)
(Additional fees are charged by an intermediary involved in processing the transfer.)
- Please specify in the remittance form that all local and overseas charges be borne by the remitter.
If no specification is given, these charges will be deducted from the transfer amount, which will result in arrival of less funds than the amount originally transferred.
- Once you have transferred the fee, submit a copy of “the foreign remittance request form” (featuring the seal or signature of the bank clerk handling the remittance) which affixed with “the 2019 (Research Student) Entrance Screening Fee Remittance Proof Submission Form <Research Students>”, together with other necessary documents.

VIII. Announcement of successful applicants & Admission Procedure

① Announcement of successful applicants

Results will be announced on the bulletin board of the Senju Campus Administration Center and on the University website starting at the following dates and times.

(Plans call for posting results to the website one hour after posting them on the bulletin board [i.e., beginning 3:00 pm].)

Applicants for entry during the first semester (entering April 1, 2019)	Arts Management Curation Research	<p>【Summer Term Exam】 Starting at 2:00 pm July 17, 2018 (Tuesday)</p> <p>【Winter Term Exam】 Starting at 2:00 pm February 15, 2019 (Friday)</p>
---	---	--

Successful applicants will be sent admission procedure documents within one week after the announcement of successful applicants. Be sure to submit the name and address labels for sending admission procedure documents along with the application form when applying.

* Since the mailing address must be in Japan, if you reside overseas, designate an agent who resides in Japan.

* Successful applicants should contact the Educational Affairs Section of the Senju Campus Administration Center if they do not receive admission procedure documents within one week.

② Admission Procedure (Summer & Winter Term Exam)

◆ It will be implemented in mid-March, 2019.

* Notify details on acceptance notification.

IX. Costs (planned amounts)

* Details will be provided in the admission procedure documents sent to successful applicants.

Upon enrollment	Enrolment fee	84,600 yen
	Other costs (optional)	Student casualty insurance premium: 1000 yen (one year)*1 Student casualty insurance additional liability insurance premium: 340 yen (one year)*2
After enrollment	Tuition (per semester)	178,200 yen
	Tuition (per year)	356,400 yen

*1, 2

The term of the insurance policy will be the term of the student's time as a research student. However, since premiums are charged in annual amounts, the student must pay premiums for an entire year even if enrolling for only a semester.

Notes:

- The enrollment fee will not be refunded for any reason after admission procedures have been completed.
- If any costs change between the time of publication of this Guidance and the time admission procedures are completed, the revised amounts shall apply. Additionally, any change in tuition during your time as an enrolled student will enter into effect at the time of the change.
- In principle, tuition is paid by direct debit. Submit the deposit direct debit application form during admission procedures to have tuition debited automatically from your registered account on the designated dates. (Debiting will take place in late May for the first semester and late November for the second semester.)
Information on other payment methods will be provided if an applicant is unable to pay by direct debit (e.g., because he or she does not have a deposit account.)
- No system for waiver or reduction of tuition applies to research students.

X. Other information

- Applicants are not eligible for student travel fares (student discounts).
- If you want to continue your research after the end of your research period at the University, you must apply (and undergo the examinations) again.
- Procedures for entering Japan and applying for status of residence and renewal period of stay are to be carried out by the applicant at your own risk, apart from the entrance procedure.

Handling of personal information

Under the Act on the Protection of Personal Information by Incorporated Administrative Agencies (“Personal Information Protection Act” hereinafter), the University will use personal information obtained during the process of selecting students for tasks related to the selection process and for other purposes, as described below.

1. Purposes of use

- (1) Personal information concerning successful applicants such as names and addresses will be used for tasks related to admission procedures.
- (2) Personal information, such as names and addresses concerning persons who have completed admission procedures will be used following matriculation for tasks related to their studies, including management of student records and tasks related to health, such as medical examinations.
- (3) Personal information such as names and addresses concerning persons who have completed admission procedures will be used for tasks related to the management of payments, such as collection of enrollment and tuition fees.
- (4) Personal information such as grades obtained during the selection process will be used for tasks related to support for studies, including waivers of enrollment fees and tuition fees in the first year and selection of students for scholarships.
- (5) Personal information such as grades obtained during the selection process will be used for tasks related to statistical processing, provision of information to prospective students, and surveys and research related to the selection process. In such cases, the personal information will be used in ways that render it impossible to identify individuals.

2. Provision of personal information to third parties

Apart from the cases set forth in Article 9 of the Personal Information Protection Act, personal information obtained by the University will not be used for other purposes or provided to third parties without the permission of the applicants themselves.

However, the minimum required information may be provided in the following cases:

- (1) Tasks involving the handling of personal information described in 1. (1) to (5) above may be entrusted to an external third party after concluding a contract with them concerning the appropriate handling of personal information
- (2) As required by law and/or as consented to in advance by the person concerned.
