2021 Academic Year

Tokyo University of the Arts, Graduate School of Film and New Media

For applicants who live currently out of Japan

In the entrance examinations of the Graduate School of Film and New Media (Master course, Doctoral course), the applicants are required to come to the Yokohama campus in Japan to take examinations. Given the current situation caused by COVID-19, the entry restrictions into Japan imposed on many countries, there might be a possibility that an applicant living overseas won't be able to come to Japan and as a result of that he/she won't be able to take examinations. Even in that case, we will not refund the screening fee after payment, therefore **please make a careful decision when you apply for a program.** Please note that no special measures such as makeup examinations are available for examinees who have refrained from taking their examinations for the reason that you can't come to Japan.
