- ・ 2021年2月の修士・一般入試においては、出願・資料提出の一部をオンラインで行った。試験会場に集合しての試験は行わず、オンライン形式での面接試験を行い、その際に、オンラインで自作を見せても構わない、とした
- ・ 2021年2月の博士後期課程入試においては、出願・資料提出の一部をオンラインで行った。試験会場での面接は行わず、オンライン形式での面接試験を行った。

GAP2021 entrance examination

- ・ For the master's entrance examinations for international students in September 2020, the entire application, documents and materials submission including a portfolio etc., and interview were conducted online.
- ・ For the master's entrance examinations for all students in February 2021, some applications and materials were submitted online, some of them were submitted by mail. Instead of gathering at the university site and taking a practical drawing test, the interview was conducted in an online format, and at that time, it was okay to show your own work online.
- ・ For the entrance examination for the doctoral program in February 2021, some applications and materials were submitted online, some of them were submitted by mail. We did not conduct an interview at the university site, but conducted an online interview test.
