To successful applicants

1. Admission procedure documents will be sent to admitted students around October 13, 2021 from Tokyo. For further details, please refer to the documents above to be sent.

※We will contact the successful applicants to ask each mailing address within a week.

2. Those who applied for the entrance examinations with the eligibility to apply “anticipated graduation” are required to submit a diploma or certificate of graduation. Please prepare it so that you will be able to submit it with the other admission documents.

※In the event that you won’t be able to obtain a bachelor degree by March 2022, your admission would be canceled.

3. Applicants who passed the screening examinations are required to submit the original copies of “Documents proving your eligibility to apply”, “Letters of recommendations”, “Photocopy of main passport pages”, “Certificate of English language ability” and “Notes ㉠~㉢”, which are listed on p.7 – p.9 of the Guidance for Prospective Students Global Art Practice Entrance Examinations for International Students. Please send all original copies by post with the other required admission documents by the designated deadline (expected to be around the end of November 2021, when enrollment documents will be sent out). Offers of admission will be canceled if any of the required application documents submitted online differ from the original copies, or the original copies are not submitted.

4. If an international applicant who passed Period 1 screening (for International students) takes an examination in Period 2 screening, he or she will not pass the examination.
