To Parents and Guardians (Family Members)

[Important]

There is no waiting room or similar space for parents and guardians (family members). While you may enter the campus grounds, access to the school buildings is not permitted. Please note that the venue for parents to view the ceremony on a large screen, which was provided in previous years, will not be available this year.

This is because, following an accident on February 26th where a ceiling sound reflector above the stage fell onto the stage floor at the Sōgakudō Hall (the original ceremony venue), the ceremony venue had to be changed. Consequently, it was not possible to secure a venue for parents.

Furthermore, space is limited both on campus and in the vicinity outside the main gate. We kindly ask that you refrain from visiting the university area if possible and instead watch the live stream provided below.

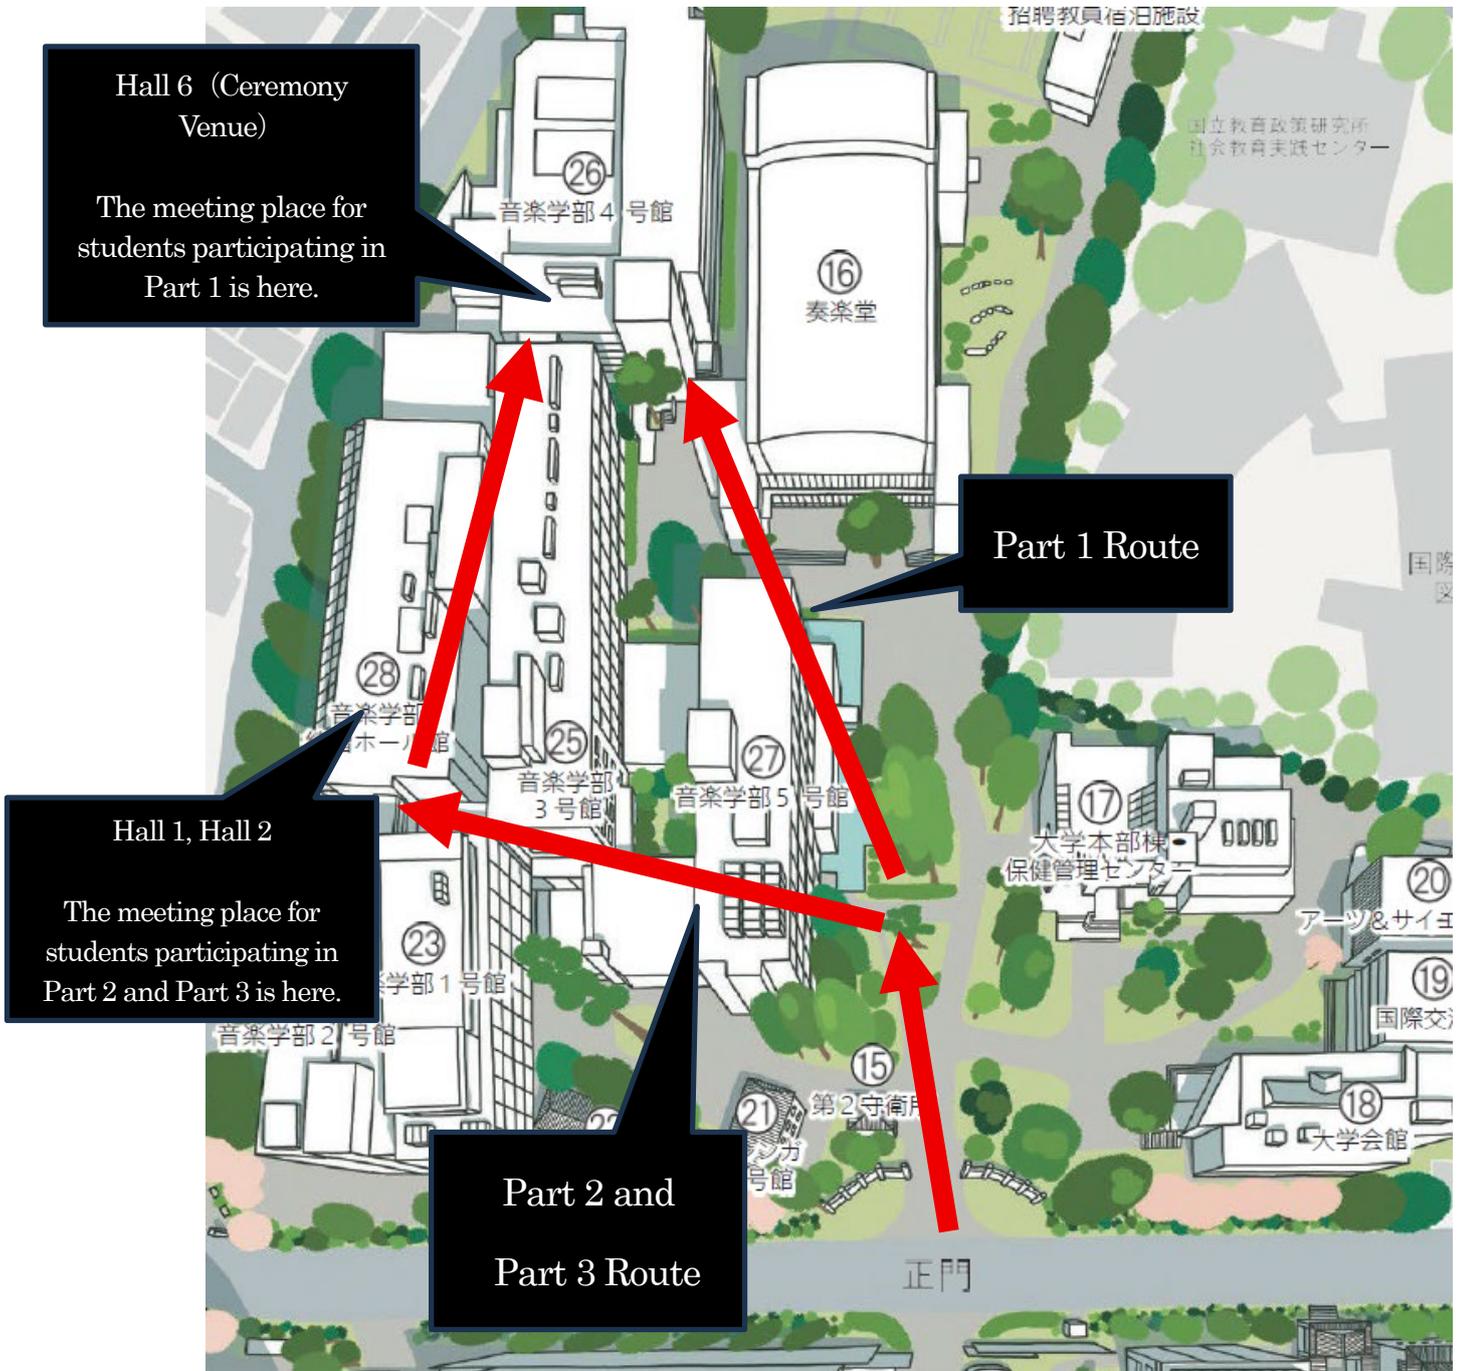

Live Streaming of the Ceremony

On the day of the ceremony, we will be live streaming the event online. Please feel free to watch from home using your PC, smartphone, or other device.
